COMMUNIQUE

Issue #1
28 February 1977

Every week watch for news of what's happening in TJC as well as things TJC'ers want to know. This is the first issue. Please bring announcements and news items to Mary T. Watch for the Communiqué on Mondays from here on in.

The SPRING TERM SCHEDULE is out -- get it at the TJC Office or the Student Resource Center.

The Dean says:

1. All faculty who have work/study students must validate their time cards by checking hours and signing the white slips (available in the TJC Office).
2. Get information on interesting student prospects, etc., to Mary T. Media and Public Relations are sending items to hometown papers. Approximately ten news releases go out each week. This is good recruiting material for us.
3. Summer School Teaching: If you want to teach, get information on what and when to Phyllis as soon as possible. Possible positions have been cut for all units this year, so we need to choose carefully. Suggestions from students are appreciated.
4. The Admissions Office is compiling new brochures and fliers on TJC programs, processes, field studies, whatever, for printing in March. If you have any ideas for this, get them to us quickly so that we can write the copy instead of having Media Publications do it for us.

Important!!! Mark these dates down, and check your spring schedule for individual GVSC registration times during March 1-4 (listed alphabetically in the front of the schedule).
