## **Dylan Mackenzie**

**Dylan Mackenzie** is a mostly non-speaking autistic artist from Scotland. Nonetheless, he is physically fit and active, loving and good humoured. His love of the outdoors inspires his artistic practice, and he attends regular classes and workshops at Project Ability, a Glasgow-based visual arts organization which creates artistic opportunities for people of all ages with disabilities and people with lived experience of mental ill-health.

*Garden of Reflection* (2024). Oil on Stretched Canvas.

Mackenzie's compositions contain an element of a preconceived notion that guides, but they also reveal themselves, discovered and elaborated in the course of their execution and capturing an element of that moment, and at a minimum express the sheer joy of covering something in paint.
