Me

(quickly quickly read quickly come find me we have so little time to spend with each other)

I.

this, right now, is the past me assimilating with the present me. me now. me, now then me, but wait no then. every letter which is placed before the next is the not me this self. keep records of me's which aren't me. me? who? me who thinks about future present me studying literature who has learned a new way to describe depression the samely different me who has felt a tickle toe feeling which who now has transposed me to the observer oh! there's a tickle in my toe! oh! I'm observing my tickle toe! oh! I must propagate prolifically spread my seed over the grasses of oh! put your foot in the grass to experience tickle toe! oh ennu. me in time, out of time, step, who me, me, the me interested in stepping out of step with me to observe, who? me? body, breathe now please. body, stop now please. body, who me, body continue please whilst I work fastidiously to separate the me me from me so that you and me assimilate from past self you who who me to us. What is my identity

subject me to the stake and whip my shoulders until my skin blisters and rips

Underdeveloped especially love me you please please please GOD squeeze my heaving body UNITY twice UNITY meditations split brevity of that which what is even separate, separate? Glance glancing please please glancing I am a human being I am want I am want the cleft bird stripe eyelash beautiful want NO want nothing transcend degradation filth backward stepping foot behind foot prehistoric cro magnon fucking a dirt hole this can't be me me better me reflexivity me connection to source if I squeeze my eyes shut tight NO this is nothing like your cleft bird stripe eyelash brings peaceful sensation of no more breathing I want nothing separation may be good give to you until I am bare

give to me with a glance please please give glancing I am a pleading heap of
want a contradiction cannot transcend subject me to the stake and whip my
shoulders until my skin blisters and rips

I am the plumber today I have come to fix your toilet would you please let
me in no because today I will be the plumber and would you please let me in
I have issues with thresholds though and I have been trapped in this house
since birth really quite a nice space I have grown attached to this space I call
it mine it lets me call it mine I call it I call I well enough with me today I am
the plumber and I am already home please occupy that same space until I am
finished and I will let you know when I am finished with your identity. throw
me that plunger
