Math and Meaning

Two pieces of bread and three people.
Choose hunger, tell the others to enjoy.
Thirds, I realized.
Words, equations, simple algebra.
Love mines and umbrellas.
The answer, sometimes, is zero.
To be successful, do the following.
Move me, literally if necessary.
Avoid potholes, pitfalls, spit.
The boy shines in the water.
The above is nothing but a sum.
Rhyme. And association.
