i wake up

i wake up sometimes
and i hear like my
mommy is having a
heart attak
i don't know why it stops
when i say out loud on purpose
are you okay mommy?
but it works it stops they stop

then they start up again!
my room seems more darker
and scaryer when i hear them
i can just see them punching
each other in the chest
or something
but theyer not fighting?!

i don't like it
the way it sounds
like theyer hurting each other
i don't like it
and no matter what
i'm not gonna do that
when i grow up
