## The Visit

Circles and cycles and motor/car/bycles  
With reality coming in turbulent squares.  
Day dreams and night screams and rainbow polite themes  
Bring Lightning and thunder and flaming red flares.

Flailing and whaling in winds that are galing  
Show round yellow dots on a surface flat black.  
Pin stripes and plaid stripes and purple/pink fat types  
Come all together and lay back to back.

Crying and sighing and some black/white lying  
Bring begging and bartering and promises galore.  
Up/down and downtown and Prometheus unbound  
The mind rages on and of dreams there are more.

Rock rats and wood bats and stove pipe top black hats  
Swirl in a patternless vacuum of air.  
Candycane sleet/rain and screaming in real pain  
Dinner in buckets and blood-red steak rare.

Moving and turning with throat parched and burning  
She calls out to someone in time and in space.  
Heard pleas and paid fees she gets up and then leaves  
Her psyche intact and a smile on her face.
