Process Writing Rap

POEM BY **CATHY LESPERANCE**

Creative Writing is here to stay.
The Writing Process will show you the way.
The Writing Process is five steps long.
Know them at the end of our song.

Chorus: *Creative Writing is here to stay.
The Writing Process will show you the way.*

Pre-writing activities are step number one
Visualizing-Mapping-Listing.
Relax, have fun!

Chorus

Actual writing is step number two.
This part is done just by you.
Sloppy copy, it's O.K.
Worry about spelling another day.

Chorus

Revising is step number three.
The change to make our writing the best it can be.
Change, improve, make it your best.
A Chance to put your skills to the test.

Chorus

Editing is step number four.
By now you've accomplished most of your chore.
Capitals, spelling, are part of this phase.
Polishing the writing for all to praise.

Chorus

Publishing is step number five.
Now we've made our writing come alive.
It's time to share our work with a friend.
Our creative writing lesson has come to an end.
