THE VIEW FROM FIRST ROW CENTER

O magic mellowing warlock-mushroom
Moon,
Light the night to free the
Loon.

Guide the twisted hand that makes
contorted puppet shadows slide along
the uterus walls of
Mother Mind.

How howls the wind across the castlesteps
where in sleeps the beauty beast,
Father Unfortunate
of us all,

Sister Matter and
Lord Time; the troubled, Brother Space,
the illicit coupling of
the tortured, the Void.
