About the Cover

Untitled, 1989

Keith Haring (1958-1990) was an American artists whose works explored gender and sexuality. During the 1980s, Haring became an advocate for gay rights and used his artwork as a platform for political and social change. In a relatively short career, Haring created more than 50 public artworks in dozens of cities around the world. His work remains widely recognized and closely associated with the fight for LGBT equality.
