West Michigan Management Memo

The *West Michigan Management Memo* is published twice a year, in the spring and fall, and is sent to all contributors to the Enrichment Fund. Every two years a dinner is held to honor those leaders who helped found Grand Valley State and who by their interest and involvement continue to enrich the development of the institution as well as the quality of life in our community. The fund enables the Seidman College to support activities and programs designed to increase understanding of our economic system, facilitate exchanges of ideas between students, faculty and businessmen and, in general, enrich the business and academic communities. Persons interested in more information about the *Memo*, the published articles, or the Enrichment Fund should contact the Dean’s Office, F. E. Seidman College of Business and Administration, Lake Huron Hall, Grand Valley State, telephone 895-6611, ext. 271.
